"Forstwirtschaftliche Vereinigung Schwarzwald eG (FVS eG)"

Providing forest service for sustainable forest management. Members are mainly private and municipal forest enterprises. The main goals are :

The commercial business objective is to optimize the revenues of forest owners by overcoming structural disadvantages through the association.

The FVS eG wants to preserve and promote regional forestry structures. This is why FVG eG mainly uses local companies to provide the offered services.

Close and trusting cooperation with customers in the sawmill and wood industry

One of the biggest forest association in Germany

DETAILS
