FORSTZUSR 2015: Guideline for funding project related actions of forestry associations:
Initiatives of the associations to improve professional information, trainings and the mobilization of their members or rather the recruiting of new members were included as new measurements in the funding catalogue
The funding of reliable approaches such as the comprehensive forest management contracts is being intensified
FORSTWEGR 2016: Guideline for funding for actions to access forests:
It is easier and cheaper to transport wood on forest roads which are capable of carrying heavy duty vehicles
