

# MightyFields | Platform for digital data collection and managing fieldwork

## *Digitalisation of fieldwork data collection*

MightyFields enables companies to create digital smart forms with a simple drag and drop form designer, to share your data with your field teams with no tech support needed, have an overview of all tasks on the field and to have reports available instantly. You can also use the data in your current applications with our simple Mightyfields API integration tool.

## PLUS DE DÉTAILS
