**PREMIÈRES QUESTIONS**

Pas si simple de m'occuper de mes bois !

Au moment de prendre en main mon patrimoine ou d'engager une intervention, je voudrais y voir plus clair...

Je consulte les réponses illustrées à mes questions essentielles :

- Comment retrouver les limites de mes bois ?
- Qui peut m'aider pour gérer mes bois ?
- Quels travaux ou coupes envisager dans mes bois ?
- Que valent mes arbres ?
- Comment vendre des arbres sur pied ?
- Comment m'organiser pour gérer mes bois ?

**PROGRESSER**

Je suis un forestier averti.  
Je suis inscrit à une formation de la forêt privée.  
J'accède à toutes les ressources en ligne en cliquant dans le menu ou selon les indications du formateur.

*This site contains information and training resources to help forest owners get to know and maintain the forest better, to preserve and enhance the natural wealth of a wooded heritage, and to learn about the various administrative procedures involved in managing a forest.*

The platform "Je me forme pour mes bois" was initiated by CNPF in association with Fransylva and the training program FOGEFOR. The aim is to provide online pedagogical content and a training offer (field workshops, day events, videos, etc) to the forest owners and forest teachers. The pedagogical content is divided by themes, in order to cover all the tasks that forest owners must go through: assess the forest production potential, protect it and manage it via cuttings and other forestry works, sell wood, develop new services in the forest, carry out administrative tasks. The content is also divided into three levels of difficulty, depending on the user's profile and experience with forest ("discover", "learn", and "take action"). The site also contains videos and forest owners interview videos, as well as additional resources (books, journals, etc) to go further on certain topics.
